★ Available for New Roles

🏠 Professional Experience

○ Interior Designer May 2026 – Present

SPACIOUS VENTURE · BENGALURU, KARNATAKA

Lead residential interior design packages from initial client briefs through space planning, detailed AutoCAD drafting, and SketchUp 3D models to vendor coordination and on-site execution.

- Delivered full-scope space plans and furniture layouts for luxury apartments and villas.
- Engineered modular joinery details for kitchens, wardrobes, and TV units.
- Coordinated with turnkey contractors, lighting vendors, and site supervisors.

○ Interior Designer & 3D Visualizer 2025 – 2026

FREELANCE INTERIOR DESIGN PRACTICE · BENGALURU / REMOTE

Delivered end-to-end bespoke residential projects, 2D architectural drawings, and photorealistic 3D visualization for private homeowners and independent design studios.

- Produced comprehensive 2D CAD elevation sets and System 32 cabinetry drawings.
- Created high-fidelity interior renders using SketchUp, Enscape, and AI-assisted workflows.
- Managed client consultations, material selections, and moodboard curation.

Senior Interior Designer

June 2025 – September 2025

12 SQUARE INTERIORS · BENGALURU, KARNATAKA

Directed residential design development, modular furniture systems, interior styling, and client presentations.

- Supervised space planning and customized modular wardrobe and kitchen deliverables.
- Refined 3D design models and prepared presentation boards for client approvals.

Interior Designer

November 2022 – August 2024

CUBEDECORS · BENGALURU, KARNATAKA

Managed residential projects focusing on modular kitchens, walk-in wardrobes, custom storage units, drafting, revisions, and site execution.

- Drafted detailed shop drawings and cutting lists for modular factory production.
- Prepared material palettes and coordinated on-site installation benchmarks.

Interior Design Intern

May 2022 – July 2022

THE DESIGN PALETTE · BENGALURU, KARNATAKA

Assisted senior designers with spatial research, 2D drafting, 3D SketchUp modelling, and project documentation.

- Documented on-site survey measurements and translated them into accurate CAD baselines.

Giftyaari – Founder & Owner

May 2025 – July 2025

Founded and operated a handmade craft venture, gaining practical experience in creative direction, product curation, packaging, client relations, and end-to-end operational ownership.
